

COVINGTON **HP**

Hi-PERFORMANCE FABRICS

Introducing Covington HP, Hi-Performance Fabrics with the Covington Easy Clean Finish.

Covington Easy Clean Finish uses an environmentally friendly C6 technology. The Easy Clean Finish enhances the performance of the fabric while at the same time provides an enhanced soil and stain resistance without changing the fabric hand. Properties for **Covington Easy Clean** include:

- Enhanced abrasion performance
- Enhanced soil and stain repellency
- Anti-Microbial and Anti-Bacterial
- Water repellant
- Does not alter fabric hand or fabric color
- Excellent wash durability
- Easily cleaned with light brushing, warm water, and mild soap
- Compliant with the US EPA 2010/15 PFOA
