## CANTINA RECYCLED LEATHER COLLECTION

**SOFT. STRONG. SUSTAINABLE.**

Imagine an eco-friendly leather that gives you all the same benefits as traditional leathers – color depth, luster, dimensional grain, hand-rubbed layered tones as well as lasting performance – but without the price or environmental impact. Look no further than the **Cantina Recycled Leather Collection**. Manufactured with our unique composite construction process, this furniture fabric delivers outstanding care-free comfort and high-performance reliability – year after year. Now that's smart design!

**OFFERED IN 12 RICH COLORS**

**RETURN: H 15.5" V 15.5"**

**100% Polyester**
